We will do individual Team Uniforms, as we have done in previous years.

Sponsors – have 3 right now. Possibly do a Facebook blast?

Registration numbers – 149 a few last minute today. 30 people still need to pay. Tomorrow will be the last chance. Katie will email to remind about registration fees and documents tonight. Must pay in order to be drafted to a team. All payments made in person.

Major 37 reg – 24 paid

Minors 37 reg – 21 paid

Tball 31 reg – 18 paid

Farm 38 reg – 14 paid

Teams – Steve Gill brought up how managers are selected and that board members should get first priority on getting a team. Coaching precedence in the past has gone this way, but also in favor of prior coaching experience. Minor division, has 4 coaches and 3 teams, currently. Steve Gill, Chris Gartner, Rashaan Anderson and Steve Landman. Roster with 9 kids and 4 teams vs. 3 teams with more kids.

Motion to have Steve Gill, Chris Gartner and Steve Landman as the three minor coaches and Rashaan Anderson as the 4th manager. Voted 9 yes 2 no

Major Coaches – Ray and Jake are coaches – Tony and Andy 3rd alternate

Do not count on interleague play as of now.

Bancroft – Zoom, Steve Gill has the power point and get the team lists. Will update and adjust as needed. 6 t-ball and farm and 7:30 minor and major. Coach will be in touch afterwards with team for more details. Tony send out email to coaches to have a team meeting after Bancroft night.

Team mom – less responsibilities this season

Snack Bar – Temp check for volunteers, plexi-glass on snack bar. All prepackaged items?

Float/Parade – no parade.

No opening day.

Field Work Day – a lot of zero cost work needs to be done. Farm field and sprinkler heads February 6th

Safety meeting – Kim holding safety meeting on Zoom and will set up prior to first practice. Also send into D5.

We need to get CPR training. Kim will set up and send out dates.

The green screen – was suggested to take it down bottom half down for spectators to see games. Decided against for now.

Drafts tomorrow - time Majors at 4:00 Minor 5:00 Farm 6:15 at perkos
